

Coaches, weekly review the 3Ps with your Leaders: Process, Progress, Personal

- 1) Process the group time together; what went well? What didn't? How can you engage those who are timid with interaction.
- 2) Progress with Apprenticeship/possible apprentice. Identify next steps and ways to encourage.
- 3) Personal relationship with Jesus - how are YOU doing? What's a win? What's a struggle? How can I pray for you?

These are just suggestions of questions you can ask your leaders; be authentic to you and your style, and your relationship with your leaders.
