

Leaders, weekly review the 3Ps with your Apprentice: Process, Progress, Personal

- 1) Process the group time together; what went well? What didn't? How can you engage those who are timid with interaction.
- 2) Progress - Identify next steps with your Apprentice. What is an area they need to grow in? What areas are strengths - how can they use that within the group time? How is it going with their disciple(s)?
- 3) Personal relationship with Jesus - how are YOU doing? What's a win? What's a struggle? How can I pray for you?

These are just suggestions of questions you can ask; be authentic to you and your style, and your relationship with your apprentice.

Community Group Leader Covenant

- I will pray for the Community Group Members daily.
- I will accept the responsibility to invite and welcome others into the Community Group.
- I will relationally disciple an apprentice in the Community Group weekly beyond group meetings focusing on their personal relationship with Jesus, leadership skills they are developing in the group meeting and others they are discipling.
- I will seek to multiply the Community Group and not just grow the group.
- I will talk with my Community Group Coach each week and meet with him/her monthly.
