

Week of May 28

Today's big idea: We have much to celebrate!

**The questions are just suggestions to get people thinking about celebrating all that God has done in different ways. If you have other questions that you would like to ask, feel free. Be sure to continue to point your group to give God glory for all he has done. As a group leader, be intentional to encourage others for steps of discipleship and disciple making they have taken. Also dream of what multiplication might look like for your group.**
