

How To...

Community Group Week of May 28

Today's big idea: We have much to celebrate!

- What are differences that you see in yourself over this last year?
- What are differences that you see in each other over this last year?
- What are differences that you have seen in the group over this last year?

- What do you see in yourself that you want to celebrate personally?
- What do you see in each other that you want to celebrate?
- What do you see in the group that you want to celebrate?

- What goals do you have for yourself over the next year?
- What goals would you encourage others to have over the next year?
- What goals should your group have over the next year?
