

Can I Trust...?

Community Group

Matthew 7:24-27 /// Week of October 1

Today's big idea: We can trust the Bible.

- Share with the group who do you trust the most and why?
- Review the Community Group Guidelines together.
- Someone pray that God would help us hear from him.

Head

- Use the Bible Storytelling technique to tell the story of the wise and foolish builders.
- Retell the story together as a group.
- Read the story from Matthew 7:24-27 in the Bible.
- What were the expectations that Jesus had for his audience?
- What was similar about the experiences of the builders and what can we learn from that?
- What was different about the experiences of the buildings and what can we learn from that?

Heart

- What questions do you have about the Bible itself or what did you hear in this week's sermon that caught your attention?
- How can our experiences impact how we read, understand and trust God's word?
- Why is it sometimes difficult to move past simply hearing God's word and actually putting it into practice?

Hands

- Being part of a Community Group is a great way to learn about God's word and how to put it into practice. What are other ways you can do that?
- How can you help others who may not trust the Bible?
- Pray for one another and for revelation into God's word.
