

Me or the Mission?

Community Group

Acts 20:17-32 /// Week of January 21

Today's big idea: God's mission doesn't belong to Pastor.

- Seeing ourselves as leaders can be difficult sometimes. Adulthood can feel the same way. What is something you wish you didn't have to do as an adult?
- Review the Community Group Guidelines together.
- What did you hear in the sermon that caught your attention?
- Someone pray that God would help us hear from him.

Head

- Use the Bible Storytelling technique to tell the story of Paul with the Ephesian elders.
- Retell the story together as a group.
- Read the story from Acts 20:17-32 in the Bible.
- How did Paul describe his relationship with the Ephesians?
- What did he encourage the elders to do?
- What did he warn them about?

Heart

- How did the elders feel about Paul leaving, how did Paul feel, and why were they different?
- What are the benefits of going to start something new whether that might be another Community Group, a ministry or a church?
- How would you feel if your Community Group Leader(s) said they weren't going to be part of your group anymore? Would the group continue? What would you do?

Hands

- How is the Lord challenging you to take steps of faith toward multiplication, disciple making and leadership?
- How can you help others see the importance of multiplying our culture?

Pray for one another and the multiplication of your group.
